## THE UDC HONORS OUR VETS

### Commander's Corner...

I want to take this opportunity to remind each of you of the very special event that is planned for our February meeting. Our Southern sisters of The United Daughters of the Confederacy will be with us for the evening as they honor some of our fellow Compatriots with a special ceremony. The President of the Tennessee Division of the UDC along with several state and local officers of our sister

organization will be our honored guests.

For most of us, this will be a once in a lifetime opportunity to see the "Ceremony for the Bestowal of Military Awards" presented by the UDC. One of the many requirements for these special decorations to be presented to seven of our Compatriots is to be a direct descendent of a Confederate soldier. As the Confederate soldier defended his nation and his homeland during a time of war, these seven Compatriots have followed in their ancestors footsteps and con-

tinued that heritage of service to this nation during times of war.

Our seven men to be honored with these Military Crosses and Medals include Jack Cato, Jerry Hunt, David Belcher, Joe Williamson, Don Lewis, Martin Frost and Mayor Don Fox.

This will be an evening of ceremony, honor, fellowship, refreshments and entertainment. We invite and encourage you to include your family and friends in this special evening of celebration. This is a community event, and a great time for us to show our community who we are and what we represent. What an opportunity to show our pride in our nation, our service to our nation and our pride in our Southern Heritage.

Please come and bring your family and friends for a GREAT evening. I look forward to seeing each of you.
