**Commander's Corner...**

Remember, the fair is sneaking up on us quickly. We will once again have our presence there providing Fairgoers with our wonderful and popular Caramel Corn. We will also have our recruiting

booth set up. This always tasked us for manpower, but everyone seems to enjoy their time at the booth and the fair. This is a great way to get in and see the fair without admission cost by working the booth. We have only one more month and one more meeting prior to the start of

the fair. We will need you to sign up for at least one two hour session. I don't believe any of us are so busy we cannot dedicate a two hour shift for the Camp at the fair. We have another opportunity to serve the SCV or turn our head in the other direction. The staff (cont. on page 2)

has agreed to do all the popcorn popping so we are not even asking for assistance in that regard. By the way, thanks to the staff members who stepped to the front to help in that regard.

If you were not at our June meeting you missed an excellent presentation on places and events centered around Spring Hill during the war. Our own Read Majors grew up in the area and gave an excellent presentation. It was decided to have a one day fall trip to Spring Hill to see all of these places in person. We will have a bus that carries about 33 people for this tour. We are trying to get a date that works for most including our tour guide Read Majors. Once that is done we will be offering the tour on a first come, first served basis.

If you have a program you would like to present or know of a good program you have heard about please contact 1st Lieutenant Commander Dave Simpson. We would like for as many of our own folks to present programs as possible. This allows you to share a corner of history that may be of interest to you and the group as well

Tom

### A Confederate Veteran Said It

"For my part, when the time comes to cross the river like the others, I shall be found asking at the Gates above, 'Where is the Army of Northern Virginia? For there I make my camp.' "

Gilbert Moxley Sorrel, Brig. Gen., C.S.A
